GOOGLE SEARCH
Brand terms all year. Add "posni protein" and "veganski protein" from 20 Nov – 6 Jan and 1 Mar – 1 May. Same landing pages as Meta.

BEFORE EVERY PHASE
Check stock against page 1. Pause any ad whose flavor is out. If the top two flavors run low, cut budget, not quality.

Offers marked "needs client OK" change prices. Dates: Orthodox calendar (Božićni post 28 Nov – 6 Jan, Lent 15 Mar – 1 May 2027).
